

**DAYCO AFTERMARKET
PRODUCT INFORMATION**

Part Number : New
94732 Substituted
 Obsolete
 Wider Range

Nr.: 941001_20070313

Date:13/03/2007

New Part

Number: **941001 – 137SHX254HDT**

APPLICATIONS: see www.dayco.com

Product Picture

Former structure

TECHNICAL REASON:

BELT STRUCTURE EVOLUTION

To improve the belt resistance to side wear, we have developed a new structure that also includes fabric on the belt back, in order to guarantee:

- higher resistance to side wear
- extended service life

The replacement will also be valid for KTB189 - KTB190 – KTB191 – KTB403

New structure with back fabric
